Notes to the financial statements
31 December 2009

Note 1. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the *Corporations Act 2001*.

Compliance with IFRS

Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial statements and notes of The Sir Robert Menzies Memorial Foundation comply with International Financial Reporting Standards (IFRSs).

Historical cost convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets, financial assets and liabilities at fair value through profit or loss, certain classes of property, plant and equipment and investment property.

(a) Income taxes

The Foundation is exempt from taxation under Section 50-5 of the Income Tax Assessment Act 1997. Under legislative changes which came to effect on 1 July 2000 the Foundation is entitled to a refund of dividend imputation credits which arise on the Foundation's investments.

(b) Investments

Classification

The Foundation classifies its investments as financial assets at fair value through profit and loss.

Recognition and derecognition

Investments are initially recognised at fair value and transaction costs are expensed in the income statement. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Foundation has transferred substantially all the risks and rewards of ownership.

Subsequent measurement

Gains or losses arising from changes in the fair value of investments are presented in the income statement in the period in which they arise. Dividend income from investments is recognised when the Foundation's right to receive payments is established.

The fair values of quoted investments are based on current market values.

The Sir Robert Menzies Memorial Foundation Limited
(A Company Limited by Guarantee)
Notes to the financial statements
31 December 2009

Note 1. Summary of significant accounting policies (continued)

(c) Revenue recognition

Operating revenue includes interest income, dividends, donations, profit on sale of investments, unrealised gains/losses on recognition of investments at market value and rental income from Clarendon Terrace. Amounts disclosed as revenue are net of taxes paid.

Government and other grants are recognised when received from government or other institutions.

Donations and contributions are brought to account on a cash received basis, whereas all other revenue and expense items are accounted for on an accrual basis.

(d) Employee benefits

(i) Wages and salaries and annual leave

Liabilities for wages and salaries and annual leave are recognised, and are measured as the amount unpaid at the reporting date at current pay rates in respect of employees' services up to that date.

(ii) Long service leave

A liability for long service leave is recognised, and is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using interest rates on national government guaranteed securities with terms to maturity that match, as closely as possible, the estimated future cash outflows.

(e) Cash and cash equivalents

For cash flow statement presentation purposes, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

(f) Trade and other payables.

These amounts represent liabilities of goods and services provided to the company prior to the end of the financial year and which are unpaid. These amounts are unsecured and are usually paid within 30 days of recognition.

(g) Receivables

All trade debtors are recognised at the amounts receivable as they are due for settlement no more than 30 days from the date of recognition.

Collectibility of trade debtors is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful debts is raised when some doubt as to collection exists.

(h) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financial activities which are recoverable from, or payable to the taxation authority, are presented as an operating cash flow.

(i) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 31 December 2009 reporting periods. The Foundation has assessed that the application of these standards (when required) would not have a significant impact on the financial statements of the Foundation.

Save for payment of \$85,153 to the Executive Director in 2009, no directors or related entities have received or become entitled to receive remuneration in connection with the management of affairs of the Foundation for the 2009 and 2008 financial year.

Note 12. Non-current assets – Property, plant and equipment

Premises occupied by the Foundation since 1980 are leased for 45 years from the National Trust. The Foundation has no residual right to the freehold property. However, the Foundation has the first right of refusal of purchase if the Trust decides to sell.

The premises and leasehold improvements have been valued at \$4,165,000. The valuation is based on an independent insurance valuation by Jeffrey Tempny on behalf of Edward Rushton Pty Limited dated March 2008. This valuation was on the basis of Reinstatement with New Value for insurance purposes and is performed periodically every two years.

Notes to the financial statements
31 December 2009 (continued)

Note 16. Segment information

The Foundation operates as a charitable organisation primarily within Australia and derives its revenue principally from donations and investment income.

Note 17. Capital

The company is limited by guarantee which means the Foundation was formed on the principle of having the liability of its members limited by the Memorandum of Association to the respective amounts that the members undertake to contribute to the property of the company if it is wound up.

Note 18. Dividends

No dividends have been paid or declared during the year and no dividends are proposed. The Foundation is prohibited by its Memorandum and Articles of Association from making any distribution to its members.

Note 19. Superannuation plans

The Foundation contributes to various superannuation plans for its employees and they are entitled to benefits on retirement, disability or death. All superannuation funds are defined contribution funds. The contributions are made subject to an award and are legally enforceable. Employees contribute to the plan at various percentages of their wages and salaries.

Note 20. Related parties

Note 22. Financial risk management

The Foundation's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Foundation's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Foundation.

Risk management is predominately carried out by the Investment and Finance Committee under policies approved by the Board of Directors.

(a) Market risk

(i) Foreign exchange risk

The Foundation has no significant exposure to foreign exchange risk.

(ii) Price risk

The Foundation is exposed to equity securities price risk. This arises from investments held by the Foundation. To manage its price risk arising from investments in equity securities, the Foundation diversifies its portfolio. The majority of the Foundation's investments are equity investments which are publicly traded. The table below summaries the impact of increases/decreases in equities prices on the Foundation's surplus for the year and on accumulated funds. The analysis is based on the assumption that equity prices had increased/decreased by 9% (2007 – 9%) with all other variables held constant.

Notes to the financial statements
31 December 2009 (continued)

(a) Market risk (continued)

(iii) Cash flow and fair value interest rate risk

The Foundation has no significant exposure to interest rate risk.

(b) Credit risk

Credit risk arises from cash and cash equivalents. The maximum exposure to credit risk at the reporting date is the carrying amount of the financial assets disclosed on the face of the balance sheet.

(c) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities. The Foundation manages liquidity risk by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Financing arrangements

The Foundation did not have access to borrowing facilities at reporting date.

Maturities of financial liabilities

The table below analyses the Foundations financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cashflows.

(d) Fair value estimation

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments in active markets is based on quoted market prices at the reporting date. The quoted market price used for financial assets held by the Foundation is the current bid price.

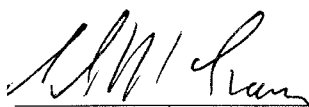

The carrying value of trade receivables and payables are assumed to approximate their fair values due to their short-term nature. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to Foundation for similar financial instruments.

The Sir Robert Menzies Memorial Foundation Limited
(A Company Limited by Guarantee)
For the year ended 31 December 2009

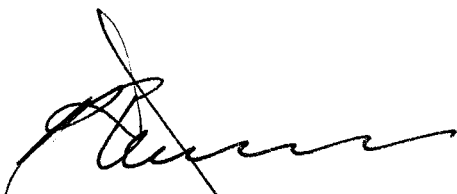

In the directors' opinion:

- (a) the financial statements and notes set out on pages 4 to 17 are in accordance with the *Corporations Regulations 2001*, including:

Report on the financial report

We have audited the accompanying financial report of The Sir Robert Menzies Memorial Foundation Limited (the company), which comprises the balance sheet as at 31 December 2009 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101 *Presentation of Financial Statements*, that the financial statements comply with International Financial Reporting Standards.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Our procedures include reading the other information in the Annual Report to determine whether it contains any material inconsistencies with the financial report.

The Sir Robert Menzies Memorial Foundation Limited**
(A Company Limited by Guarantee) (continued)

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.
